

PASTURE WALKS

Thursday, July 23 (6PM)

Souris & Area Wildlife Centre, 1358 Souris Line Rd, Souris

See firsthand how grazing cow/calf pairs remotely within the potato rotation can be done at scale, using virtual fence collars and a specialty-built water trailer.

RSVP by July 20.

Tuesday, August 11 (6PM)

Jamie McWilliams, 7400 Rte 14, Bloomfield Station

Too many head for your land base? Learn how this cow/calf operation grazes perennial forages in the potato rotation with easy-to-move infrastructure.

RSVP by August 7.

Friday, September 11 (1:30PM)

Christian Bowman, 18905 Rte 2, Hunter River

Join us for an advanced grazing learning experience with Sarah Flack, author of *The Art and Science of Grazing*. *RSVP by September 7.*

Friday, September 11 (6PM)

Souris & Area Wildlife Centre, 1358 Souris Line Rd, Souris

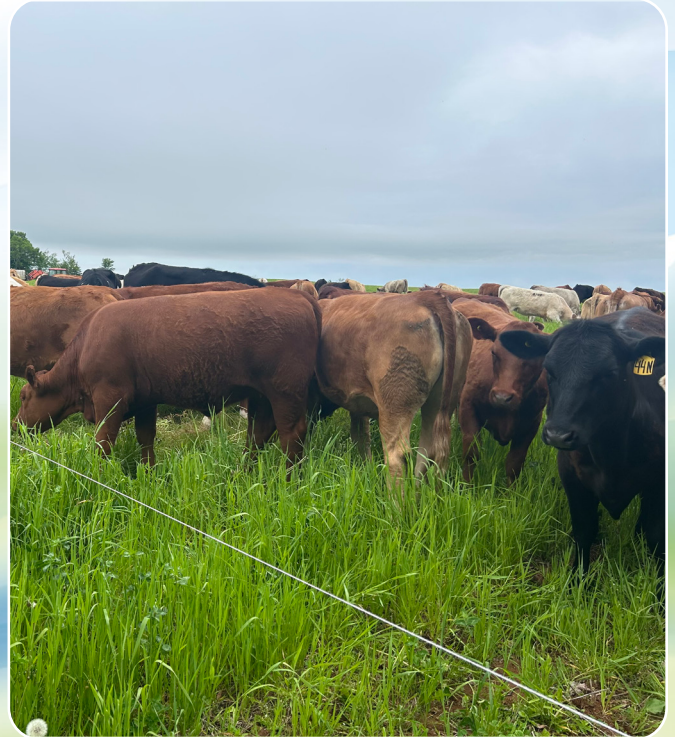

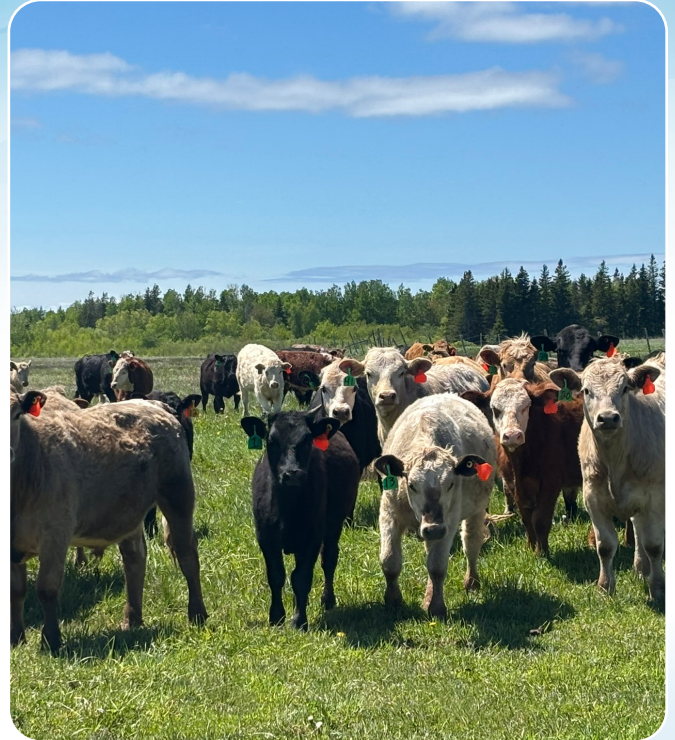

Join us for this classroom-based learning opportunity featuring Sarah Flack, author of *The Art and Science of Grazing*.

RSVP by September 7.

Saturday, September 12 (12:30PM)

Jamie Hierlihy, 1146 Hebron Road, Coleman

Learn how Jamie's farm transitioned from a shortage of pasture to an abundance, through intensive pasture management. Author Sarah Flack will also offer insights. *RSVP by September 7.*

To register, contact: Darryl Stoltz • 902-916-0791 • dstoltz@gov.pe.ca

Meal will be included for all pasture walks except for Friday, September 11th's 1:30PM walk
